Food Innovation for Good

Why should we focus on the Hispanic Market?

Hispanic Food Market
CAGR until 2023*

The Hispanic community now makes up over 20% of the American population and is set to keep growing in the coming years. With a buying power exceeding \$2 trillion, this vibrant market is eager for baked goods and sweet treats that evoke the flavors and traditions of their rich cultural heritage.

Let's spread joy and bring smiles with the delightful bread and confections they love!

OUR HISPANIC RANGE

At Puratos we offer a wide range of products that allow you to make traditional and non-traditional Latin recipes by combining our ingredients, technologies and recipe expertise.

- Freshness & Softness** Enhanced freshness & softness due to latest enzyme technology
- Great Taste** Great taste with the authentic buttery flavor characteristic of Hispanic sweet breads
- Convenience** Optimal convenience with a complete mix, including the fat to guarantee less scaling errors
- Versatility** Versatility for a variety of Hispanic sweet bread applications and different processes

"Using Puratos Hispanic Solutions, I'm able to make a versatile range of high-quality concepts with the freshness, softness and authentic taste of scratch recipes with the convenience of our mixes."
